

Marketsall Deposit Bonus Terms and Conditions

- Earn a 15% bonus on deposits up to \$50,000 when you fund your account. This bonus is designed to enhance your trading experience and provide additional value to your investments.
- Profits generated with the bonus balance are withdrawable instantly.
- To ensure fair and responsible trading, there is a 30-day time limit from the date your account is opened. Any positions left open beyond this period will be automatically closed, and the corresponding bonus amount will be removed from your account.
- **Bonus balance can be withdrawn, but the required volume must be met. The volume table is below.**

Bonus withdrawal conditions:

- After receiving the bonus balance, you must meet the specified trading requirements to withdraw the bonus.
- Upon withdrawing the deposited amount after receiving the bonus, the bonus amount will be proportionally deducted from your account as shown in the table below.
- This promotion is limited to one per person.
- To maintain the fairness of our promotions, each participant is eligible to benefit from this campaign only once.
- In case of fraudulent activity detection, the bonus will be revoked.
- We are committed to ensuring a fair and secure trading environment. Any fraudulent activities detected will result in the immediate revocation of the bonus.
- Hedging and crypto transactions are not counted towards trading volume.
- Please note that hedge and cryptocurrency transactions are excluded from the calculation of trading volume.
- To maintain the integrity of our platform and ensure a level playing field for all traders, we strictly prohibit copy trading and social trading.
